

Contract 06-552 - PIN 8110.13 BRP-Crane Road Bridge Replacement Project Update

In addition to the weekday NB BRP closures from 9:30 AM to 3:30 PM starting on April 23 and ending on April 26, beginning **this weekend** there will be a full closure of the Bronx River Parkway. Although these changes differ slightly from the original plans, by combining MPT Stages 2 & 3, they will help insure completion of the project in early 2015.

These closures are necessary to commence construction of drilled soldier piles for the West Abutment and subsequent construction of drilled mini-piles for South Abutment. Follow on work will include construction of Piers 1, 2 & 3 simultaneously with Piers 4, 5 & 6 already underway in MPT Stage 1.

Weekend Closure

- Major portions of both the Northbound and Southbound Bronx River Parkway will be closed from **10 PM Friday April 26 to 8 PM Saturday April 29**. This closure is necessary to begin drilling of piles for the new west abutment.
 - **Northbound Closure**
 - There will be no access from the 6 lane portion of the NB Bronx River Parkway to the 4 lane portion of the NB Bronx River Parkway at the Sprain Brook Parkway.
 - All Traffic will be detoured onto the Sprain Brook Parkway and then Central Park Avenue (NY 100) all the way to White Plains.
 - This is designed to lessen the impact and the volume of diverted traffic to Harney Road, Scarsdale Avenue and East Parkway in Eastchester & Scarsdale.
 - NB BRP will be accessible to local traffic at the following locations (between the Sprain Brook Parkway and Harney Road) at all times:
 - Entrances from Paxton Ave, Elm Street, Scarsdale Road, Thompson Street and Leewood Drive will be open.
 - All NB traffic will be detoured at Harney Road to Scarsdale Avenue and East Parkway, reentering the NB BRP at Crane Road.
 - **Southbound Closure**
 - There will be no access to the SB BRP, in White Plains, south of the County Center.
 - All Traffic will be detoured onto Central Avenue, south to the Sprain Brook Parkway.
 - Entrances to the Southbound BRP at Main Street & Fenimore Road will be closed.
 - The SB Bronx River Parkway will be open at Ardsley Road and points south.

Daily Closures during week of April 29th

- The NB Bronx River Parkway between Harney Road and Crane Road may be closed for several additional weekdays (9:30 AM to 3:30 PM).
- A determination on these closures will be made by Friday 4/26.
