FOR IMMEDIATE RELEASE: September 18, 2015

BRONX RIVER PARKWAY NORTHBOUND CLOSURES SCHEDULED NEXT WEEK FROM YONKERS TO WHITE PLAINS Work is part of the Crane Road Bridge Replacement Project

Motorists are advised that portions of the northbound Bronx River Parkway will be closed between the Sprain Brook Parkway and the Westchester County Center on Monday, September 21 and Tuesday, September 22 from 9:30 a.m. to 3:30 p.m.

Northbound closures on Monday, September 21 and Tuesday, September 22 from 9:30 a.m. to 3:30 p.m.:

- There will be no access from the six lane portion of the northbound Bronx River Parkway to the four lane portion of the northbound Bronx River Parkway at the Sprain Brook Parkway.
 - All traffic will be diverted onto the Sprain Brook Parkway and then Central Park Avenue (NY 100) to White Plains.
- The northbound Bronx River Parkway will be accessible to local traffic at the following locations (between the Sprain Brook Parkway and Harney Road) at all times:
 - Entrances from Paxton Ave, Elm Street, Scarsdale Road, Thompson Street and Leewood Drive will be open.
 - All northbound traffic will be diverted at Harney Road to Scarsdale Avenue and East Parkway, re-entering the northbound parkway at Crane Road.
- The northbound Bronx River Parkway will be open to traffic at Crane Road and all points north.

These daily midday closures are necessary to inspect and clean out the new drainage system that was installed as part of the Crane Road Bridge Replacement Project. In addition, milling & paving work may also occur on the northbound parkway within the closure limits between Harney and Ardsley Road.

Motorists are advised to seek alternate routes. Numerous variable message signs will be used to alert motorists of the upcoming closures.

For additional information, contact Westchester County Department of Public Works and Transportation at 995-2555. Full details on this project are available at www.westchestergov.com/craneroadbridge. Sign up for special email alerts on this project at www.westchestergov.com/subscribe.
