FOR IMMEDIATE RELEASE: October 3, 2014

BRONX RIVER PARKWAY NORTHBOUND MIDDAY AND FULL EVENING CLOSURES MONDAY FROM YONKERS TO WHITE PLAINS Work is part of the Crane Road Bridge Replacement Project

Motorists are advised that the ongoing bridge work will closure the northbound Bronx River Parkway midday on Monday, October 6 from 9:30 a.m. to 3:30 p.m. from the Sprain Brook Parkway in Yonkers to the Westchester County Center (Exit 22) in White Plains. In addition, there will be a full evening closure of the parkway on Monday, October 6 from 10 p.m. to 5:30 a.m. on Tuesday, October 7 from the Sprain Brook Parkway in Yonkers to the Westchester County Center (Exit 22).

Northbound midday parkway closure on October 6 from 9:30 a.m. to 3:30 p.m.:

- All northbound Bronx River Parkway traffic in Yonkers (six lane section of the parkway) will be detoured onto the Sprain Brook Parkway, then to Central Park Avenue (NY 100) to White Plains.
- Local traffic will have access to the northbound Bronx River Parkway at the following locations (between the Sprain Brook Parkway and Harney Road): Paxton Avenue, Elm Street, Scarsdale Road, Thompson Street and Leewood Drive.
- Local northbound parkway traffic will be detoured at Harney Road to Scarsdale Avenue and East Parkway and re-entering the northbound parkway at Crane Road.
- Northbound parkway will be open to traffic at Crane Road and all points north.

Northbound and southbound parkway – closed from 10 p.m. Monday, October 6 to 5:30 a.m. Tuesday, October 7.

Northbound parkway evening closure:

- All northbound Bronx River Parkway traffic in Yonkers (six lane section of the parkway) will be detoured onto the Sprain Brook Parkway, then to Central Park Avenue (NY 100) to White Plains.
- Local traffic will have access to the northbound Bronx River Parkway at the following locations (between the Sprain Brook Parkway and Harney Road): Paxton Avenue, Elm Street, Scarsdale Road, Thompson Street and Leewood Drive.
- Local northbound parkway traffic will be detoured at Harney Road to Scarsdale Avenue and East Parkway and re-entering the northbound parkway at Crane Road.

- Northbound parkway will be open to traffic at Crane Road and all points north.

Southbound parkway evening closure:

- There will be no access to the southbound Bronx River parkway in White Plains, south of the County Center. All traffic will be detoured onto Central Avenue, south to the Sprain Brook Parkway.
- Entrances to the southbound parkway at Main Street and Fenimore Road will be closed.
- The southbound parkway will be open at Ardsley Road and all points south.

The daytime closures are necessary to allow drainage structure installation, temporary concrete median barrier placement and installation of temporary pavement markings. The evening closures are necessary to continue facilitating placement of concrete barrier median on the new portion of the bridge and install temporary pavement markings to accommodate traffic shifts, all part of the Crane Road Bridge Replacement Project. When the parkway is opened on Tuesday morning, October 7, both directions of traffic will be driving on the new bridge with one lane in each direction being maintained until project completion next summer.

Electronic message signs will be used to alert motorists.

For additional information, contact Westchester County Department of Public Works and Transportation at 995-2555. Full details on this project are available at www.westchestergov.com/craneroadbridge. Sign up for special email alerts on this project at www.westchestergov.com/subscribe.
