FOR IMMEDIATE RELEASE: May 29, 2014

BRONX RIVER PARKWAY NORTHBOUND MIDDAY CLOSURES NEXT WEEK FROM YONKERS TO WHITE PLAINS Work is part of the Crane Road Bridge Replacement Project

Motorists are advised that the northbound Bronx River Parkway will have midday closures from the Sprain Brook Parkway in Yonkers to the Westchester County Center (Exit 22) in White Plains on Monday, June 2 and Tuesday, June 3 from 9:30 a.m. to 3:30 p.m.

Northbound Parkway closures:

- All northbound Bronx River Parkway traffic in Yonkers (six lane section of the parkway) will be detoured onto the Sprain Brook Parkway, then to Central Park Avenue (NY 100) to White Plains.
- Local traffic will have access to the northbound Bronx River Parkway at the following locations (between the Sprain Brook Parkway and Harney Road): Paxton Avenue, Elm Street, Scarsdale Road, Thompson Street and Leewood Drive.
- Local northbound parkway traffic will be detoured at Harney Road to Scarsdale Avenue and East Parkway and re-entering the northbound parkway at Crane Road.
- Northbound parkway will be open to traffic at Crane Road and all points north.

These closures are necessary to install drainage structures and drainage pipe for the new bridge as part of the Crane Road Bridge Replacement Project on the Bronx River Parkway.

Motorists are advised to seek alternate routes. Numerous variable message signs are being used to alert motorists of the closure.

For additional information, contact Westchester County Department of Public Works and Transportation at 995-2555. Full details on this project are available at www.westchestergov.com/craneroadbridge. Sign up for special email alerts on this project at www.westchestergov.com/subscribe.
