Work is part of the Crane Road Bridge Replacement Project

Motorists are advised that the scheduled southbound ramp closures on the Bronx River Parkway for several nights this week in Scarsdale and Greenburgh have been postponed.

The Bronx River Parkway southbound Exit 12 Crane Road and the southbound entrance ramp from Fenimore Road to the southbound parkway were scheduled to be closed nights on Tuesday, June 4; Wednesday, June 5 and Thursday, June 6 from 9 p.m. to 5 a.m. This work will be rescheduled for a later date. Local street closures in the vicinity of Crane Road will not occur as planned.

Numerous variable message signs are being used to alert motorists.

The project began last summer and will take three years to complete.
