## NEWS RELEASE

Ned McCormack, Communications Director (914) 995-2932

Contact: Donna Greene (914) 995-2935

**FOR IMMEDIATE RELEASE: May 31, 2013**

### **BRONX RIVER PARKWAY NIGHT RAMP CLOSURES NEXT WEEK IN SCARSDALE AND GREENBURGH**

**Work is part of the Crane Road Bridge Replacement Project**

Motorists are advised of southbound ramp closures on the Bronx River Parkway for several nights next week in Scarsdale and Greenburgh. **The Bronx River Parkway southbound Exit 12 Crane Road and the southbound entrance ramp from Fenimore Road to the southbound parkway will be closed nights on Tuesday June 4, Wednesday June 5 and Thursday June 6 from 9 p.m. to 5 a.m., weather permitting.**

These closures are necessary for preparation work to install 12 precast box beams over the Metro-North Harlem Line Railroad at the parkway's Crane Road Bridge vicinity as part of the Crane Road Bridge Replacement Project on the Bronx River Parkway.

**The following parkway ramp and local street closures will be in effect from 9 p.m. to 5 a.m.:**

- Southbound Fenimore Road entrance ramp to the southbound parkway will be closed.
- Southbound exit ramp to Crane Road Exit 12 will be closed.
- Crane Road westbound from Chase Road to East parkway will be closed.
- East Parkway southbound from Crane Road to Christie Place will be closed.
- Southbound parkway will have intermittent stoppages for approximately 5-10 minutes while heavy equipment is moved.

Motorists are advised to seek alternate routes. Numerous variable message signs are being used in both directions to alert motorists of these closures.

The project began last summer and will take three years to complete.
