FOR IMMEDIATE RELEASE: July 19, 2013

BRONX RIVER PARKWAY NORTHBOUND MIDDAY CLOSURES CONTINUE ON MONDAY FROM YONKERS TO WHITE PLAINS Work is part of the Crane Road Bridge Replacement Project

Motorists are advised that the ongoing weekday closures for limited access to northbound Bronx River Parkway from the Sprain Brook Parkway in Yonkers to the Westchester County Center (Exit 22) in White Plains which started June 24 and were originally scheduled to end today, will now continue on Monday, July 22 from 9:30 a.m. to 3:30 p.m.

Northbound Parkway closures continue on Monday, July 22 from 9:30 a.m. to 3:30 p.m.:

- All northbound Bronx River Parkway traffic in Yonkers (six lane section of the parkway) will not have access to the four lane northbound Bronx River Parkway and will be detoured onto the Sprain Brook Parkway, to Central Park Avenue (NY 100) to White Plains.
- Local traffic will have access to the northbound Bronx River Parkway at the following locations (between the Sprain Brook Parkway and Harney Road): Paxton Avenue, Elm Street, Scarsdale Road, Thompson Street and Leewood Drive.
- Local northbound parkway traffic will be detoured at Harney Road to Scarsdale Avenue and East Parkway and re-entering the northbound parkway at Crane Road.
- Northbound parkway will be open to traffic at Crane Road and all points north.

The southbound parkway will be open. The northbound closure extension is necessary to continue working on the installation of soldier piles adjacent to the northbound travel lanes related to the Crane Road Bridge Replacement Project on the parkway.

Motorists are advised to seek alternate routes. Numerous variable message signs are being used to alert motorists of the closures. The project began last summer and will take three years to complete.
